Collect the answer to each number sentence to reveal the hidden picture.

QR code

## Description

Give each group a baseboard containing various number sentences. Children work out the answer and travel to collect the correct number card. Once all cards have been collected and put in the correct place it will reveal a Christmas picture.

## Curriculum links

\* Use mental recall of number facts to 10 and place value to add larger numbers. (MD)

\* Become proficient at the basic actions of travelling. (PD)

## Teaching Points

To explore ways of travelling:

- “belly up/belly down”
- “can’t move forward/back”
- Levels: high, medium, low
- Body parts
- And any other examples of travelling

## Equipment

Baseboard  
Number cards

## Number of children
