

Fractions of shapes.

Read the sentence and throw the bean bag to hit the correct shape.

QR code

Description

Read the sentence i.e. half of a square, and throw the bean bag to hit the correct shape stuck on the wall. These could also be placed in a hoop on the floor to encourage under arm throwing and aiming.

Curriculum links

* Find halves and quarters in practical situations. (MD)

* Practise a variety of ways of sending small equipment. (PD)

Equipment

Shape cards
Sentence cards
Bean bags/small balls
Hoops

Progression

Encourage high quality movements:

Underarm (using hoops on floor)

- Arm swings downward and back
- Contralateral step
- Segmented body rotation

Over arm (pictures on wall)

- Arm wind up
- Contralateral step
- Segmented body rotation
