

Hit the correct time.

Read the time and throw the bean bag to hit the correct clock face.

QR code

Description

Read the time i.e. half past ten, and throw the bean bag to hit the correct clock face stuck on the wall. These could also be placed in a hoop on the floor to encourage under arm throwing and aiming.

Curriculum links

* Read o'clock and half past on an analogue clock. (MD)

* Practise a variety of ways of sending small equipment. (PD)

Equipment

Time cards
Clock faces
Bean bags/small balls

Progression
