

# Relay Races

Estimating

QR code

## Description

The children travel back and forth to collect items (i.e. pancakes) with their partner in relay races. They put the pancake they have collected in the frying pan the opposite end and at the end of the races they have to estimate how many they have collected.

## Teaching notes

Get the children to discuss different forms of travelling. Encourage the children to use their loco motor skills efficiently.

## Curriculum links

Understand, appreciate and enjoy the differences between running, walking, skipping, jumping, climbing and hopping. – PD  
Make a sensible estimate of a number of objects that can be checked by counting.– MD Year 1

## Equipment

Pancake cards, frying pans, cones
