

Subtraction

Kicking

QR code

Description

Place chicks (or anything related to your topic) numbered 1-10 in a line on the wall and ask the children to kick a ball at a numbered chick. They must then chalk a number sentence on the floor taking this number away from 10. Eg. $10-4=6$

Progression

- Encourage high quality movements:
- Rapid approach to ball
 - Leaps before kick
 - Backwards trunk lean during wind-up
 - Kicks hard
 - Hops after kick.

Curriculum links

Add and subtract numbers involving up to 10 objects -MD
Practise a variety of ways of sending, receiving and travelling with small equipment
solve simple problems with a partner -PD

Equipment

Balls, cones, numbered flash cards

Number of children

Group of 8 children
