

# Twist and Balance

Read the keyword and cover all the letters on a twister mat.

QR code

## Description

Write a letter on each of the circles on a twister mat. One child reads a keyword, another child covers all the sounds with different body parts. Can they spell the word correctly?

## Teaching Points

\* For more able children include longer words and allow two children to work together to cover all the sounds.

## Curriculum links

- \* Spell high frequency words correctly. (LLC)
- \* Become proficient at the basic actions of travelling, including balancing. (PD)

## Equipment

Twister Mat  
Keywords

## Number of children

2-3 children per mat
