

# Number Necklaces

Odd and even numbers

QR code

## Description

Make a set of number necklaces – paper plates with numbers and a piece of string to make a necklace. Give the children different prompts to throw the ball. For example, throw the ball at an odd or even number, a number that's one more or one less.

## Teaching Points

Encourage children to step in with opposite step forward. Use spots to promote this. Children could tie a scarf or place a sticker on the opposite foot for support.

## Curriculum links

Use known facts to solve simple problems within 10, e.g. doubling and halving, number bonds.– MD Year 1  
Practise a variety of ways of sending - PD

## Equipment

Number sentence cards on vegetables (or vary according to topic), beanbags, chalk, laminated number cards

## Number of children

Group of approximately 8 children.
