

# Shopping List

## Overarm Throw

QR code

## Description

Place a range of items laminated on the wall with price tags on. For example, items for a party. The children will overarm throw a beanbag at the item they want to purchase for their party. They can then use plastic coins to make the amount to purchase the item.

## Teaching Points

Encourage children to step in with opposite step forward. Use spots to promote this. Children could a tie scarf or place a sticker on the opposite foot for support. Another child could stand behind the child with a beanbag on a bat to encourage the child to reach back and start the movement from behind.
