

Temperature

What is the temperature?
Throw the beanbag

QR code

Description

Chalk a large thermometer on the floor with numbers to -10 and +10 degrees. Get the children to throw a beanbag along the thermometer and read the temperature. Is it a positive or negative number?

Teaching Points

Encourage children to step in with opposite step forward. Use spots to promote this. Children could tie a scarf or place a sticker on the opposite foot for support.

Curriculum links

use descriptive words for a range of temperatures, e.g. cooler/warmer– MD Year 1
Practise a variety of ways of sending - PD

Equipment

Chalk, beanbags, spots, scarfs and stickers

Number of children

Group of approximately 8 children.
